## ONLINE EXERCISE: MUST/MUSTN'T

In class we used modal verbs (must, have to, can) to talk about the rules of some sports.

See what you can remember about must/mustn't by doing [this online exercise](#). You can read the rules first if you need to refresh!

## WRITING: RULES

What's your favourite sport? Can you write down the rules of it? After, tell them to your family - can they guess which sport you're talking about?

*In my favourite sport,  
You must...  
You mustn't...  
You have to...  
You don't have to...  
You can...  
You can't...*

## GAME: SPORTS, HOBBIES & ACTIVITIES JEOPARDY

You can play [this fun jeopardy game](#) on your own or with your family. Choose a topic and question, and see if you know the answer!

The more points, the more difficult the question.

The screenshot shows the ESLGamesWorld logo and website address at the top. The game title is "Hobbies & Sports Quiz Show". On the left, there are two team boxes: "BLUE TEAM" with a male character and "RED TEAM" with a female character, both with a score of 0. The main board is a grid with three columns: "Sports", "Hobbies", and "Activities". Each column has five rows of question values: 100, 200, 300, 400, and 500.

## KEEP SPEAKING!

The screenshot shows a Flipgrid interface. At the top, there are logos for Microsoft and 'tearcoffee2eso', a search icon, a user profile icon, and a 'Log out' button. The main content area has a blue background with the text '1/2 ESO Tea or Coffee Chat club!' in large white letters. There are several decorative icons: a yellow smiley face, a red mouth, a rocket, a lightbulb, and a pink box. A small 'Suzy - Tea or Coffee' profile picture is visible. At the bottom, there is a white box with the text 'My Favourite Sport!' and 'Apr 27, 2020'. On the right side, there is a 'KIDS CLUB' logo with two children and a '3 Topics' dropdown menu.

Flipgrid is a platform where students can upload short videos, replying to the weekly task set by the teacher. We've chosen this platform as an additional resource to maximise students' English speaking time, to help build their confidence speaking English online week on week and to encourage them to interact with their teacher and classmates outside of class too! Plus, it's fun!

This week, we're talking about our favourite sport. Check it out! Also, if you are camera-shy and would rather not appear on video, there are lots of built-in editing tools, like emojis, which you can use to cover your face. Have fun recording and see you on Flipgrid!
